WORM POWER

Improve Soil for Stronger, Healthier Plants

Worm Power is extracted from 100% organic castings and worm-worked material that strengthens the chemical and physical aspects of the soil around your plant's root zone improving soil health, and the health, vigor and strength of your plants. **Worm Power** is safe for use on all flowers and vegetables during the growing season.

- Increases soil microbial population
- Accelerates root initiation
- Increases root development
- Easy to use
- Cost effective
- Money back guarantee

HOW TO APPLY

Shake well before using.

Connect sprayer to hose. Turn on water.

To begin spraying, point nozzle in the direction you want to spray. Bend small plastic tab on side of sprayer back and turn knob clockwise to ON position.

Spray evenly over measured area.

To stop spraying, bend small plastic tab back and turn knob counter clockwise to OFF position. Turn off water.

Relieve water pressure by bending plastic tab back and turning knob to ON position until water slows to a drip. Then turn knob back to OFF position.

Disconnect sprayer from hose.
